

The meeting was opened by the Grand Knight with a prayer at 7:25 pm.

Grand Knight overview: Liked the Multi-Use Room for general meetings. (a view was presented that general meetings could be held at 6 pm on Wednesdays and have a meal before the meeting. Would have to change the by-laws but that is a relatively simple vote) Will bring this idea of changing the meeting night to Wednesday at the next General Meeting. Need more discussion on status of Planning Meetings: keep on the schedule, delete, or have as required.

Fall Fest: September 22nd and Knights are providing food.

Fish Fry and Breakfast will be at 65% for school proceeds in the coming year. In the coming year, will try and assign a grade to assist with Breakfast, starting with older grades first.

Should this Council bestow a going away present for the departing School Principal. Sentiment of the room was to do something, but specifics not defined.

To start: Name Veronica Kinsey as Family of the Month for her 39 years of service to this Parish.

Scot Berry:

Breakfast coming on Sept 8th. Notes will be coming out on prep, etc. Counting on the usual volunteers but looking to introduce new members. Trying to formalize bigger clean-up crews.

Rescue Project: 2nd vote coming on our contribution for 2 meals at the next General Meeting. Format: meal, watch video (from Fr. John Ricardo) , and small groups with leaders.

Retreat is coming Sept 27th, 28 & 29th. Meals and room with private bath included. This year have gift certificates for 1st time attendees. Silent retreat but conversation at meals. \$30 deposit required.

Pasties: need status and publish schedule. 1st and 2nd week of Oct for making, but will sell them in Sept.

Teddy Bears: Phil Meilak will manage the program and Grand Knight will order them.

Family of the Month: Veronica Kinsey and Family for her 29 years of service to the Parish.

Knight of the Month: John Korneder for emptying Kans for Kids trailer.

Meeting ended with a prayer at 8:45pm
